KEYNOTE SPEAKER- Dr. Krista Boyer- Authentic Perspective Psychological & Consulting  
Krista spoke to the club concerning Mindfulness. Having self-compassion and gratitude for yourself as a Leader. In the workplace this will aid in retaining workers, less healthcare costs, and less turnover. If we don't pay attention to the moment, we will have a stress reaction when something comes up. When something comes up, take a deep cleansing breath, be aware, and have a mindful moment. THANKS Dan for putting together a great program!!

Mark has initiated the signupgenious.com to make it convenient to register for Rotary events. Check out the email that was sent out on Wednesday, May 1.
