Keynote Speaker- Natalie Reese- Westmoreland Cleanways & Recycling

Westmoreland Cleanways was started in 1990. It was invisioned by Sue Wiseman, while out riding her horse & noticed all of the trash on the sides of the road. It began with trash collection in parking lots, 4x a year.

The Recycling Center was added in 2013. Plastic, Glass, Scrap Metals, Styrofoam, Cardboard, & Electronics are accepted at the facility. The 1st & 3rd Wednesday of each month household hazard materials can be taken at a .80 cents per pound fee.

The more trash that can be kept out of the landfills, the less methane gas we will have in our air supply. Westmoreland Cleanways is open to the public Monday, Wednesday, & Friday. If needed Tuesday or Thursday, call ahead & schedule an appointment. Contact info: (724)879-4020 Lots of great information from Natalie!! Shawn Kunkle thanks for another great program!
