## Keynote Speaker- Tom Rusnock- Brian's Brigade.

Tom and Annette's son, Brian, tragically passed away in 2008. He was an avid musician and athlete. They wanted to channel their personal grief into a celebration of Brian's life in some way. During the 2009 March for Parks, the idea for Brian's Brigade began. Because of Brian's love of music, the decision was made to build an amphitheater in his memory. Through fundraisers and donations, over \$135,000 was raised to help make this dream a reality. In 2015, the Brian T Rusnock Amphitheater was dedicated in honor of their beloved son.

Since 2015, the amphitheater has hosted dozens of performances from all types of musical genres. Tom continues to bring in talented bands that perform from May through September. These are family friendly (and pet friendly) concerts that everyone will enjoy. The next concert will be July 27. Jay Wiley will perform at 6:30 and Gene the Werewolf will perform at 8:30. You can learn more about the Summer Concert Series through the Twin Lakes Park website.

They are always grateful for donations and sponsorships.
