Rotary Events & the Volunteers that Participate

The warm memories over the years of the events & all that have participated in

Word of the Week- Brian Beeghly

“APOLOGUE” Example- Story of the Tortoise & The Hare

KEYNOTE SPEAKER- Kelly Patrick

Director of Clinical Education for Allstar Therapies

All Star Therapies began in 1996. They specialize in Physical, Occupational, & Speech Therapy in Skilled Nursing Facilities, Home Health Care, and various other places. The All@Home Program is geared towards having clients remain independent &

live their best life in their own home.

The Specialty Treatments at AllStar is for Parkinson Disease, Fall Prevention, & Low Vision

They also have Neurological Rehab, Nutrition Counseling & Coaching, and will Provide Meal planning for Weight Loss, Kidney, & Heart Disease.

There are Silver Sneaker Classes available along with Allstar Drumming. The Drumming is a whole-body exercise while keeping rhythm with the music. Thank you, Kelly for all the helpful information. Thanks to Debbie for another great August program.
