TODAY'S PROGRAM:

Felicia Mycyk, District Governor of district 7305, was our speaker today. She spoke about her experiences with Rotary and the steps she took to become the District Governor. She became involved with the Ambridge Rotary Club several years ago and was easily recognized for her leadership abilities. She was often offered opportunities to grow and build Rotary relationships throughout the country.

She spoke with our Greensburg Rotary Club board today where everyone had an opportunity to share why they were Rotary members. It was beneficial for all in attendance.

She stated that May 16, 2026 is Rotary's Day of Service. She gave a timeline of January 2026 for each club to let her know what their plan of action is for that date.

Induction of Carolyn Gebadlo.

We welcomed Carolyn into our Greensburg Rotary Club today.
