TODAY’S PROGRAM:

Michel Keller from the Laurel Highlands Workforce & Opportunity Center was our speaker today. She gave some insight into 2 of their programs. The Patient Services and Clinical Medical Assistants are either 3 or 7- month programs. They offer free tuition. The applicant needs to be 18 years or older. They would need to be a high school graduate or have a GED. They would also need to pass a basic math and reading test. In addition, they help with childcare and transportation. LHWOC partners with UPMC, Independence Health, and WVU. They are proud to say that they have a 100% completion rate, a 100% certification rate and at least a 90% placement rate. They are doing great things to get their students trained and ready for their futures.

CLUB ANNOUNCEMENTS:
