TODAY’S PROGRAM:

We had two of our new members give their mini-autobiographies today.

David Glad was our first speaker today. He was born and raised in Belle Vernon where he was in the marching band and the debate team. David went onto Duquesne University where he received his accounting degree. He earned his CPA license a few years later. He received his law degree from Cornell University Law School. He spent most of his career with Grant Thornton LLP where he was the Director of State and Local Tax. He decided to move back to Westmoreland County and open his own practice. He is the managing member of Glad Law, LLC located on S. Main Street in Greensburg.

Vicki Loucks was our second speaker today. She is the President and CEO of Redstone. She was previously the COO for the previous 20 years. Vicki started her career as a nurse. She planned on being an ER nurse but found her way into senior care and never looked back. She has been married to Tom for 40 years. They have 5 grandkids and they love to travel, especially to the beach.

Thank you both for sharing your stories with our club.
