President Chris DeDiana called the meeting to order & led us in the Pledge of Allegiance

Acapella – God Bless America

Invocation – Ed Nemanic

Sgt. At Arms – We had a total of 29 members in attendance, and one guest: Geoff Gehering was hosted by Vicki Loucks.

TODAY'S PROGRAM:

Amy Hood from Mountain View Senior Living and Memory Care was our speaker today. Their Senior Living facility is behind Pool City on Nature Park Road. Their Memory Care facility is along RT 119 in Greensburg in what used to be Walnut Ridge. Amy spoke about all of the recent remodeling and improvements made to their facilities. An interesting fact is that green is the last color that dementia patients can still recognize so there is a lot of green tones in their interior designs.

Currently, the age ranges of their patients are between 64 and 104. They strive to provide their residents with a beautiful, home-like setting in which they receive the highest quality of care. They want to focus on what their residents can still do rather than what they have lost. Please check out their website for further details
