TODAY'S PROGRAM:

Phil Little, from the Attorney General office of Dave Sunday, was our speaker today. He gave a very informative presentation about the scams that we all need to be aware of. This is especially true regarding our senior citizen population. He gave an acronym for Scams as a reminder of what possible red flags are. **S**udden, **C**ontact, **A**ct now, **M**oney (or info needed), **S**ecret. The Scam artists tend to use emotional triggers. These could include love & romance (keyboard Cassanova), investments, joy/excitement, and fear. Payment forms are likely gift cards, cryptocurrency, wiring, and PayPal/Venmo. These cannot be reversed or traced. Phil gave a few tips to remember as well. Don't answer the phone if you do not know who it is, watch for click bait links, never provide any information, question uncommon payment methods, and verify before you comply.
