TODAY'S PROGRAM:

Christine Mohler- King was our presenter today. She is one of the co-owners of Sendell Motors in Greensburg. She is the fourth generation of owners of Sendell and in her twenty fifth year. Christine talked about how important it is that this is her family business, that she learned to work very hard and lead in her own way. The business needs to be healthy to make an impact on the community. Over the years, Sendell Motors has donated and given back to many local charities. These include the Westmoreland Food Bank, CASA, Toys for Tots, Chip Clinics. They have agreed to donate $100,000 over 10 years to Hempfield Park and developed scholarships for Latrobe elementary school teachers.
Christine asked two final questions. "Who made room for you along the way?" and "Who are you going to pull in next?"
